

Driving Instructor Verification Form

Customers who are unsuccessful on their first three (3) attempts at a Class 1, 2, 3, 4 or 5 road test must complete the Training Support Requirement (TSR). The TSR program requires a minimum of five (5) hours of documented driving instruction from an MPI-permitted driving school before the customer can make another road test attempt. Each subsequent road test after the third attempt will require an additional five (5) hours of documented driving instruction, following the same process.

NOTE: Receipt for driver training services provided must accompany this form

Instruction to Customer

Please bring this form and your Road Test in Traffic Marking Sheet to your driving school to provide to the driving instructor. You must use one driving instructor/driving school to complete your mandatory training. Please scan the QR code to find a driving school for your licence class.

All sections of this form must be filled out and legible.

This completed form will be required when booking your next road test.
