SCHEDULE OF COMPENSATION IN ACCORDANCE WITH THE PUBLIC SECTOR COMPENSATION DISCLOSURE ACT TOGETHER WITH AUDITOR'S REPORT

FOR THE CALENDAR YEAR ENDED DECEMBER 31, 2023

COMPENSATION DISCLOSURE FOR 2023

The Public Sector Compensation Disclosure Act requires Crown Corporations to disclose to the public the total compensation of the Chairperson of the Board, officers and employees who earned \$85,000 or more in a year as well as the aggregate compensation received by the Board of Directors. In compliance with the Act, Manitoba Public Insurance has prepared this disclosure schedule for the year ended December 31, 2023.

For the 2023 income tax year, Manitoba Public Insurance issued 2,387 T4 slips to full-time, part-time and temporary employees and officers. Manitoba Public Insurance had a monthly average of 1,760 employees during 2023. This schedule lists the compensation paid to 456 officers and employees in managerial, technical and professional support positions.

The schedule lists the employees and officers in alphabetical order, along with their position and total compensation. In each case, the most recent position that the employee or officer held during 2023 is given. Total compensation includes the officer's and employee's regular salary, taxable benefits, retiring allowances, retroactive pay, vacation pay and severance pay.

Independent auditor's report

To the Board of Directors of Manitoba Public Insurance Corporation

Our opinion

In our opinion, the accompanying financial information of Manitoba Public Insurance Corporation (the Corporation) for the calendar year ended December 31, 2023 is prepared, in all material respects, in accordance with the basis of preparation as described in the note to the financial information.

What we have audited

The Corporation's financial information comprises the schedule of compensation in accordance with The Public Sector Compensation Disclosure Act of Manitoba for the calendar year ended December 31, 2023 and the note to the financial information, which include significant accounting policies and other explanatory information.

Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial information* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the financial information in Canada. We have fulfilled our other ethical responsibilities in accordance with these requirements.

Emphasis of matter – basis of accounting and restriction on use

We draw attention to the note to the financial information, which describes the basis of accounting. The financial information is prepared to assist the Corporation to comply with the requirements of The Public Sector Compensation Disclosure Act of Manitoba. As a result, the financial information may not be suitable for another purpose. Our report is intended solely for the Corporation. We neither assume nor accept any responsibility or liability to any other third party in respect of this report. Our opinion is not modified in respect of this matter.

"PwC" refers to PricewaterhouseCoopers LLP, an Ontario limited liability partnership.

Responsibilities of management and those charged with governance for the financial information

Management is responsible for the preparation of the financial information in accordance with the basis of preparation as described in the note to the financial information, and for such internal control as management determines is necessary to enable the preparation of financial information that is free from material misstatement, whether due to fraud or error.

In preparing the financial information, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Corporation's financial reporting process.

Auditor's responsibilities for the audit of the financial information

Our objectives are to obtain reasonable assurance about whether the financial information as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
 a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Corporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting
and, based on the audit evidence obtained, whether a material uncertainty exists related to events or
conditions that may cast significant doubt on the Corporation's ability to continue as a going concern.
If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's
report to the related disclosures in the financial information or, if such disclosures are inadequate, to
modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our
auditor's report. However, future events or conditions may cause the Corporation to cease to
continue as a going concern.

Pricewaterhouse Coopers LLP

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTE TO SCHEDULE

Basis of presentation

The schedule lists employees or individuals affiliated with Manitoba Public Insurance Corporation who received compensation and benefits in excess of \$85,000 for the year ended December 31, 2023. The amounts reported were calculated in accordance with the definition of compensation provided in Section 1 of The Public Sector Compensation Disclosure Act.

MANITOBA PUBLIC INSURANCE CORPORATION NOTE TO SCHEDULE OF COMPENSATION IN ACCORDANCE WITH THE PUBLIC SECTOR COMPENSATION DISCLOSURE ACT FOR THE YEAR ENDED DECEMBER 31, 2023

The Public Sector Compensation Disclosure Act requires public sector bodies to disclose:

- the compensation paid to the Chairperson of its Board of Directors, if the Chairperson's compensation is \$85,000 or more;
- the aggregate of the benefits paid to the members of the Board of Directors;
- the individual compensation paid to its officers and employees whose compensation is \$85,000 or more.

The compensation amount is calculated in accordance with the requirements of The Public Sector Compensation Disclosure Act.

Compensation includes but is not limited to:

- regular salary;
- all payments for overtime, acting pay, statutory holiday pay, retirement/severance payments, lump sum payments and vacation pay-outs; and
- value of the taxable benefits to board members, officers and employees.
